

CALLAWAY CARS OPEN HOUSE 2008

Saturday, October 11

Please join us at the 2008 Callaway Cars Open House at the company headquarters in Old Lyme, Connecticut. Meet the team that engineers, builds, and supports the Callaway Corvettes and the Callaway C16s and get an insiders look at how we produce Powerfully Engineered Automobiles.

On hand will be Callaway cars, past and present. Join us in seminars and shop tours. The latest products will be on display, with special pricing only for the participants, and possibly a "mystery motor" running in the dyno room.

The Open House Schedule:

11:00 am - 12:00 pm - Check-in / Meet & Greet
12:00 pm - 1:00 pm - Lunch, provided by Callaway Cars
1:00 pm - 3:00 pm - Shop tours and seminars
3:00 pm - 5:00 pm - Informal car viewing and question & answer time
5:00 pm - Facility closes
7:00 pm - Dinner at Flanders Fish Market - a meal not to be missed. Dutch treat.

Please plan early for this event:
